MEMORANDUM FOR THE NATIONAL INTELLIGENCE SURVEY COMMITTEE, UNITED STATES INTELLIGENCE BOARD

Subj: National Intelligence Survey, Ocean Areas, report of a user survey

Ref: (a) NIC ltr ser NIC-34/250 of 16 April 1973

1. As requested by the Chairman, National Intelligence Survey Committee, Commander, Naval Intelligence Command conducted a consumer survey to determine the utilization of the ocean areas NISs with a view to terminating production. Reference (a) refers.

2. The results of the survey indicated that twenty seven users responded recommending retention of the ocean areas studies and indicated that termination of production of the ocean areas NISs would adversely affect their mission. Three responses have not yet been received. Users responding included Navy and other agencies of the executive branch of government.
